

Deposit Account No. 50-0786/2000.065900. Reconsideration of the application in view of the following remarks is respectfully requested.

AMENDMENT

A "marked-up" version of the claims appears in Appendix A at the conclusion of this response.

IN THE CLAIMS:

Please amend the claims as follows.

- 
1. (Amended) An electrostatic discharge (ESD) protection network, comprising:
- an inductor having a plurality of turns in the shape of a coil, the plurality of turns having
- an inductance; and
- a plurality of electrostatic discharge (ESD) clamp devices, each one of said plurality of
- ESD clamp devices having a parasitic capacitance, said plurality of ESD clamp
- devices connected to the turns of said inductor, the inductance of said turns and
- the parasitic capacitance of said ESD clamp devices thereby forming a low pass
- filter.
2. (Amended) The ESD protection network of claim 1, wherein said plurality of
- turns and said plurality of ESD clamp devices are fabricated on a surface selected from
- the group consisting of a substrate and an integrated circuit die.
3. (Amended) The ESD protection network of claim 1, wherein said plurality of
- turns and said plurality of ESD clamp devices are fabricated on an integrated circuit die.
-
